WORKING STRATEGY

- 1. Finding new GCs and Projects from different companies planrooms, Planhub, Bluebook, LDI planroom, Pantera tools, Construct connect, Building Connected etc.**
- 2. Organizing all the projects in ClickUp.**
- 3. Then Takeoff with the help of different softwares.**
- 4. Making and sending estimates from quickbooks or Microsoft Excel.**
- 5. Also making a bid proposal or tender document and sending to GCs.**
- 6. Finding all intrested GCs in the project and sending Bid to all of them.**
- 7. Managing RFIs in projects if any.**
- 8. Calling and following Up GCs to ask about progress of projects.**
